

# Premium Timber Oil

High Performance  
Architectural Wood Stain

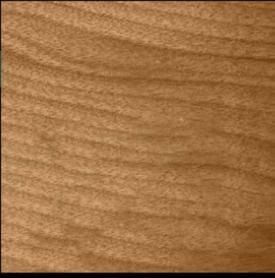

True Oil  
One Coat  
Dual Resin

# PRESERVA PREMIUM™ TIMBER OIL

is formulated with a blend of the finest seed oils available. Craftsmen and Woodworkers will appreciate our Dual Resin Technology, which combines the superior durability of an alkyd resin with the protective properties of a urethane resin. Lastly, we add transparent iron oxide pigments for UV protection as well as the natural beauty that these finely ground particles can deliver.

- Dual Resin Technology
- Penetrates Deep into Wood
- Low VOC, True Oil-Based Stain
- One Coat, High Solids
- Can Be Used For Hardwoods

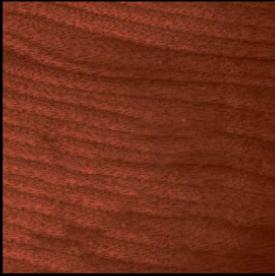

NATURAL TIMBER
