IMPORTANT SAFETY INSTRUCTIONS

READ AND UNDERSTAND ALL WARNINGS, CAUTIONS AND OPERATING INSTRUCTIONS BEFORE USING THIS PRODUCT. Failure to follow all instructions listed below may result in electric shock, fire, and/or serious personal injury.

WARNING:

Do Not Look directly into LED Light.
Do Not shine the LED light directly into the eyes of others.
Do Not allow children to use LED light unless under the supervision of an adult.

WARNING: This LED light is powered by a Lithium-ion battery. Lithium-ion batteries are small, compact, and ideal for providing long-lasting power to this product. However, they must be used and charged properly. Improper use can result in serious injury, fire, or death.

CAUTION: This product comes with the battery installed internally. Do not attempt to remove the battery from the product.

- Do not place this lithium-ion battery powered product in fire or apply heat to it.
- Do not apply strong impact or shocks to this lithium-ion battery powered product.
- Do not allow the lithium-ion battery to get wet.
- Do not leave this lithium-ion battery powered product in

the direct sunlight, or use or store it inside cars in hot weather. Doing so may cause the battery to generate heat, rupture, or ignite. Using the battery in this manner may also result in a loss of performance and a shortened battery life.

- NEVER THROW WATER ON A BURNING LITHIUM-ION BATTERY! If a lithium-ion battery does catch on fire, it will burn even more violently when contacted with water.
- Store the product at temperatures between 41°F and 77°F (5°C and 25°C).
- Properly dispose of all batteries at a recycling center or per local code. More information regarding battery disposal in U.S. and Canada is available at; <http://www.rbrc.org/index.html>, or by calling 1-800-822-8837 (1-800-8BATTER).

SPECIFICATIONS

- Flood Light Brightness: 1200/600/200 Lumens
- Flood Light Run Time: 1.5/3/9 Hours
- Spot Light Brightness: 200 Lumens
- Spot Light Beam Distances (max.): 164 Feet
- Spot Light Run Time: 10 Hours
- Color Temperature: 5000K Bright White
- Battery: 3.7V, 2.0Ah Lithium-Ion, Built-In
- Recharge Time: 3 Hours
- USB-C Power Output: 5V, 1A
- Net Weight: 0.32 lb

Includes: Light, Charging Cable, and Operator's Manual

CHARGING THE LIGHT

To recharge the light, please follow these steps:

1. Ensure that the light is turned off.
2. Lift the rubber cover (5) to access the charging port (6).
3. Connect the included USB charging cable to the charging port, with the USB-C (small) end inserted into the charging port.
4. Connect the USB end of the charging cable to a standard 5V USB power output, such as a cellular phone power adaptor or a laptop USB port.
5. The battery charging indicator light (7) will illuminate in red, indicating that the charging is in progress.
6. Once the charging is complete, the indicator light will turn solid green.

OPERATION

SWITCH

Press the switch button (4) once to turn the light on. Additional presses cycle through the light modes in the following sequence.

Flood Light High - Flood Light Medium - Flood Light Low - Spot Light - Off

If any of the working modes stay on for more than 5 seconds, pressing the switch button will turn the light off.

The flood light has a dimming feature, when in flood light mode press and hold the switch button to reach the desired level of light.

USB POWER OUTPUT

The USB-C charging port (6) can also serve as a power output for charging other portable devices using a USB-C cable.

POCKET CLIP AND MAGNETIC BASE

This light features a metal pocket clip (3) that allows you to attach it to your pocket or belt. Additionally, it is equipped with magnets on both the base and back, enabling you to easily attach it to metal surfaces.

WARRANTY

This product is warranted free from defects in material and workmanship for 2 (Two) years after date of purchase. This limited warranty does not cover normal wear and tear or damage from neglect or accident. The original purchaser is covered by this warranty and it is not transferable. Prior to returning your product to store location of purchase, please call the Toll-Free Help Line for possible solutions.
